

The 14th Congress of the Cimbalom World Association between 20-24th September in 2017 in Banská Bystrica

According to its objective defined in its statutes the Cimbalom World Association organises a congress every two years, each time in a different country, the venue of which is decided by the members. The aims of the Congress are to hold a meeting of the members, to make decisions about the operation of the Association, to let the delegations from different countries introduce the cimbalom culture of their homeland, to share and gain knowledge and information and to popularize the instrument. The different concerts, presentations and vending exhibitions held by the members during the congress will be open to the general public.
